Ellen O'Bannon
25th Year Anniversary

Ellen O'Bannon joined the staff of the Rehabilitation Center for Children and Adults 25 years ago. Born and raised in New York, she arrived as our Director of Physical Therapy, and is now our new Director of Operations. Ellen has treated thousands of patients with diagnoses such as arthritis, back pain, gait issues and hip and knee replacements. She has served on a variety of committees for the Florida Physical Therapy Association, representing the RCCA. Ellen and her husband, Sean, enjoy visiting their home in the mountains of North Carolina as often as possible. Her calmness and dedication make her an invaluable asset to the RCCA. Kudos and congratulations to Ellen for her devoted and tireless service to her patients and the staff at the RCCA!

Susan Merrill has received physical and occupational therapy at the RCCA following her stroke in September 2016. When she first started therapy at the RCCA in November, Susan was in a wheelchair, and could barely move her right arm and leg. Susan's Physical Therapist, *Brittany Flaherty*, is now working on both walking with a cane as well as re-learning how to maneuver stairs. According to her Occupational Therapist, *Kelli Jacobs*, "Mrs. Merrill has come so far. She can now feed herself, write her name and open a container. Her right arm is getting stronger and stronger every day." Susan expresses her appreciation with the RCCA staff by saying "these therapists are my angels."
