RCCA Spring Luncheon a Great Success

More than 200 committee members and loyal supporters of the Rehabilitation Center for Children and Adults attended the 25th Annual Spring Luncheon on April 25 at The Beach Club. Under the direction of Chairwoman Shannon Howell and Vice-Chairwoman Denise Hanley, this year’s milestone event was themed Growth and featured a special Spring-themed performance by eight of our preschoolers. The show, which included crowd-favorite “The Farmer Plants the Seeds” song, was accompanied by pianist Guy Scott and graciously underwritten by Joan Van der Grift.

Underscoring this year’s Growth theme, the law firm of Gunster graciously gave each guest a bird house with a pack of bird seeds. The gift is intended to serve as a reminder to us all to continue seeding the future of the RCCA. In acknowledgment of the firm’s 15 consecutive years of generosity and support, we presented Shareholder Dan Hanley with a commemorative magnifying glass to thank him and his firm for their exemplary vision.

In addition to the birdhouses, guests were sent home with the spectacular centerpieces created by Everett Simon. Underwritten by Carol Collins, the bouquet of spring flowers beautifully arranged in a basket were designed to depict spring growth and new life – underscoring our ever-important mission to improve the life of people with disabilities through physical, occupational and speech therapy.

Committee members were Christine Aylward, Tori Baker, Katie Benjamin, Nellie Benoit, Jackie Breckenridge, Paula Butler, Carol Collins, Trish Donnelly, Linda Salandra Dweck, Christiss Ferguson, Peggy Ferrell, Mary Harper, Laura Johnston, Rashan Massouni, Pam Mettler, Alexandra Oelser, Kim Raich, Alice Randolph, Julie Reveley, Tina Roberts, Crista Ryan, Patt Sneed, Sue Strickland, Constance Thomas, Joan Van der Grift and Lucy Webster.

Thank you for considering a gift in your will.

The RCCA Professional Endowment Committee mourns the loss of the Chairman and founder of the committee, Thornton “Tim” Henry. Past President of the Board of Governors at the RCCA, Tim developed the committee 24 years ago as well as the annual Estate Planners Reception. Tim was an estate planning attorney with the law firm of Jones, Foster, Johnston and Stubbs. Tim’s dedication and commitment to the RCCA and our PEC will be greatly missed.

The RCCA Professional Endowment Committee introduces the Rehabilitation Center’s mission and needs to our financial neighbors. Members represent key financial institutions in the Palm Beach area. Current and future planned gifts help families who are uninsured or under insured. At the quarterly committee meetings, members review the latest relevant estate tax information. Annually, the committee sponsors an Estate Planners Reception for attorneys, accountants, trust officers and members of the Center’s Board of Governors. Guests learn how to help the Rehabilitation Center through planned gifts such as wills and charitable trust agreements. The Professional Endowment Committee also helps increase our neighbors’ awareness of our needs and services. These professionals represent expertise our donors can call upon, as they know both the importance of endowments to our mission and the value of estate planning for the donor’s family. We believe the work of this committee will help ensure the financial security of the Center now and in the future. If you know of someone who might be interested in more information, please call the Rehabilitation Center at 653-7266, or contact one of the committee members pictured here. The Rehabilitation Center for Children and Adults is grateful these women and men choose to donate their professional and personal time helping children and adults with physical disabilities.
