The Rehabilitation Center for Children and Adults provides therapy to people with physical disabilities regardless of their financial abilities. We depend on donations for services that are not covered by Medicare or insurance. The Palm Beach County Commissioners Department of Community Services has helped our patients since 1990. Their program monitor, Lorenzo Taylor, recently completed his annual site visit meeting several people who benefit from their support.

Dr. Dolores Jacoby is receiving aquatic therapy with Physical Therapist Fran Guardo. "I don't know what I would have done without the therapist's expert care. After injuring my back in a boating accident, coming to the Center has helped me so much!"

Mrs. Cynthia Skervin used the upper-cycle with Occupational Therapist Camy Dreifuss to recover from car accident injuries. "I appreciated the excellent care. Now I can pick up anything, bend my arm and do all activities for everyday living!"

The Speech-Language Pathology Department provides therapy to children and adults with communication problems. The Scottish Rite Foundation has helped our Rite Care clinic families since 1991.
Welcome New Board Members

Helen Abell  Mark Cook  Heather Harris  Susan Kirkpatrick  J.B. Murray  Dorothy Stephens

In loving memory of our board members who helped children and adults with physical disabilities:
Lorraine Vocco Curry
Dorothy Siem de Peyer

LEAVE A LEGACY™
The Rehabilitation Center for Children and Adults provides individual quality services thanks to donors who respond to our mailing and special events. The Spring Luncheon raises funds and friends to support our programs.

Kudos to Chairman Julie Reveley and Co-Chairman Christine Aylward who made the May 2007 Spring Luncheon a success. They are pictured with 4-year-old Tristen Onofry. Tristen lives in Royal Palm Beach with his parents and little sister. He was born with cerebral palsy and is currently receiving physical therapy with Sue Holmes at the Rehabilitation Center. He is enrolled in the Center’s preschool where he moves about quickly in his walker or power chair. Through Occupational Therapy with Donna Holmstock, he is learning to grasp and be more independent. According to Speech-Language Pathologist Leslie Kelly, Tristen says many things using his communication device, words and varied facial expressions.

The Rehabilitation Center staff includes licensed Physical Therapists, Occupational Therapists and Speech-Language Pathologists. The facility has an indoor heated pool as one of the modalities for treating people with diagnoses such as arthritis, stroke, joint replacement, sport and work injuries. Medicare and third-party payers are billed. Proceeds from the Spring Luncheon support services for families who are under or uninsured.

Contributors to the Spring Luncheon include past Chairwomen Trish Donnelley, Paget Ferrell, Denise Hanley, Susan Kirkpatrick, Pam Mettler and Joan Van der Grift. Committee members include Sarah Alsorfom, Nellie Benoit, Tori Baker, Tina Berman, Ann Blades, Carol Collins, Linda Salandra Dweck, Mary Harper, Laura Johnston, Roshan Massoumi, Lynn McKenna, Kim Raich, Sue Strickland and Lucy Webster.

Gunster, Yoakley & Stewart, PA, represented by Dan Hanley, was the sponsor for this event.

If you would like to attend next year’s Spring Luncheon, please save the date May 7, 2008.
