The Professional Endowment Committee introduces the Rehabilitation Center’s mission and needs to our financial neighbors. Members represent key financial institutions in the Palm Beach area. Current and future planned gifts help families who are uninsured or under insured. Thornton (Tim) Henry, an estate planning attorney with the law firm of Jones, Foster, Johnston and Stubbs, and Past President of the Board of Governors at the Rehabilitation Center, serves as Chairman of the Professional Endowment Committee. At the quarterly committee meetings, members review the latest relevant estate tax information. Annually, the committee sponsors an Estate Planners Reception for attorneys, accountants, trust officers and members of the Center’s Board of Governors. Guests learn how to help the Rehabilitation Center through planned gifts such as wills and charitable trust agreements.

The Professional Endowment Committee also helps increase our neighbors’ awareness of our needs and services. These professionals represent expertise our donors can call upon, as they know both the importance of endowments to our mission and the value of estate planning for the donor’s family. We believe the work of this committee will help insure the financial security of the Center now and in the future. If you know of someone who might be interested in more information, please call the Rehabilitation Center at 655-7266, or contact one of the committee members pictured here. The Rehabilitation Center for Children and Adults is grateful these women and men choose to donate their professional and personal time helping children and adults with physical disabilities.
Rehabilitation Center for Children and Adults
Dedicated to improve people’s physical function, communication and independence

READY. Twenty-four year old Sean Dorsey was attending the University of Florida. In February 2014 he was hospitalized with bacterial meningitis, had brain surgeries, months of inpatient rehabilitation, then discharged to his family in Palm Beach Gardens. His parents have transported him to the RCCA for a year of physical, occupational and speech therapy. Occupational Therapist Donna Holmstock reports his left side has improved so much that he is golfing again and READY to plan his return to college.

SET. Palm Beach Day Academy elementary students Mary and Griffin Arp have worked with Speech-Language Pathologist Leslie Kelly on fluency and articulation. Their teachers report they are SET for an excellent academic course. Their parents said “the therapy has been fun for the children and they are much more confident.”

GOAL. Left knee arthritis pain brought Siri Mortimer to the RCCA for intensive therapy a few years ago when she quickly met her initial GOAL. She continues her physical therapy wellness program with Paul Hughes in addition to an amazing 45 minutes on the elliptical machine. Now she also volunteers in the preschool commenting that “I have witnessed extraordinary things happening at the RCCA.”
Ten years ago Tristen Onofry was in our RCCA preschool, then his sister Olivia also attended. As a parent of a child with cerebral palsy, Vicky obtained unique insights and appreciation for therapists and teachers and decided to return to school obtaining her bachelors’ degree in Elementary Education at FAU. After working for eight years for the School District with first and fourth grade students at Meadow Park and Clifford O. Taylor Kirkklane Elementary, she heard of our Preschool Teacher opening, she was first to apply as she said she always wanted to come back ‘home’ to work with the ‘gurus.’

CHOICE MATTERS
As a consumer, if you need therapy, you can choose where you go and whom you see. You may ask your friend, your neighbor, or your physician. Ultimately, you are the one who chooses.

You can initiate therapy at the RCCA by calling 655-7266, or by asking your doctor to fax a prescription to 655-3269.

For more information go to www.rcca.org or come in anytime for a tour.

You can now choose to receive this newsletter via email; please call 655-7266 or email info@rcca.org
