The Rehabilitation Center for Children and Adults provides individual quality services thanks to the generosity of our donors who respond to our mailings and attend special events. The Annual Spring Luncheon will be held on May 1 at The Beach Club, Palm Beach.
Members of the Professional Endowment Committee (PEC) for the Rehabilitation Center for Children and Adults (RCCA) recently sponsored its 24th annual Estate Planners Reception at the Center. Professionals attending the event included accountants, attorneys, bankers, insurance agents and trust officers learn how to help the RCCA through planned gifts such as wills and charitable trust agreements. Current and future planned gifts help families who are uninsured or underinsured receive occupational, physical and speech therapy at the RCCA.

The event was held in memory of Thornton “Tim” Henry, the founder and chairman of the PEC and a past board president, who helped serve RCCA for 35 years. Tim was an estate planning attorney with the law firm of Jones, Foster, Johnston and Stubbs. New Chairman, David Bowers spoke about Tim’s dedication and commitment to the RCCA and informed over 100 professionals about the RCCA outpatient occupational, physical and speech therapy programs.

The Rehabilitation Center for Children and Adults (RCCA) celebrated its 25th Annual Soiree with an intimate, elegant dinner and dance at Club Colette.

Chairmen Mollie and Frank Slattery and Co-Chairmen Heather and Patrick Henry greeted loyal supporters and representatives from corporate sponsor Brown Brothers Harriman.

This year’s colorful event was accentuated with decorations by Everett Simon. The bright flowers complimented the jewel tones of the kaleidoscope-patterned table cloths, which reflected the array of services that we have offered at RCCA for the past 78 years.

Musician Bob Merrill and his Society Swing Band swirled together music and dancing throughout the night.

Each guest received a keepsake kaleidoscope to take home as a reminder of the wide variety of essential services the RCCA provides to patients. Those services included aquatic exercises, communication skills and physical movement therapies for children, adults and seniors.

Committee members were Natalie Dejoux, Trish Donnelley, Pat Dunnington, Bob and Jane Grace, B Hilton, Pat Johnson, Suzanne Johnston, Kay and Peter Lyons, Pam and Peter Mettler, Lynn and John Pohanka, Alice and Cate Randolph, Nancy Reynolds, Noel Settle, Bill and Sally Soter, Bill and Jane Told and John and Mahnaz Whelton.
The RCCA preschoolers thank Dan Ponton at Club Colette for helping the RCCA celebrate our 1st Soiree in 1993 and our 25th Annual Soiree this year.
