WELCOME

Baby Annabelle!

Preschool teacher Nicole Carabello and husband David celebrate the arrival of their healthy baby girl on July 21, 2020 weighing 8 lbs. 14 oz. and almost 22 inches long.

HOW TO DONATE

Your tax-deductible donation can make therapy available to a local family regardless of their ability to pay.

LEAVE A LEGACY™

Be remembered forever by RCCA with a gift in your will, trust, retirement plan or life insurance policy.

Center Updates

BTE Primus RS Equipment from the Fortin Foundation of Florida

The therapists at the Rehabilitation Center for Children and Adults (RCCA) would like to thank the Fortin Foundation of Florida for the grant to purchase a new piece of equipment, the BTE Primus RS.

The Primus is an exercise and evaluation device for use in occupational and physical therapy for musculoskeletal testing and treatment. This system is used to evaluate deficits, increase muscle strength and endurance and improve the range of motion at affected joints.

Our original BTE Primus was purchased through the Fortin Foundation of Florida 20 years ago. We rely on this special piece of equipment to individualize and customize patient's treatment programs. Hundreds of our patients have benefitted from this computerized program and we now can ensure that hundreds more will have this same level of care.

We thank the Fortin Foundation of Florida for their support to continue the mission of RCCA to improve people's physical function, communication and independence. The Fortin Foundation of Florida grant helps make miracles happen every day in the lives of our patients.

New BTE Primus RS

New Artwork Throughout the Center

New flooring installed recently.

Owner Carrie Bradburn of Capehart Photography hangs new artwork.

Our new PT Gym photo helps you ride the stationary bicycle on Royal Palm Way.

Preschool GRADUATION

A virtual Preschool Graduation Celebration occurred this Summer to honor Duke and Zoe moving on to Kindergarten.

Preschool is back in session with both in-person learning and ongoing virtual learning. Welcome back teacher Jenn Levy!

Rehabilitation Center for Children and Adults (RCCA) Earned a 2020 Gold Seal of Transparency

RCCA just earned a 2020 Gold Seal by adding information to our Nonprofit Profile on GuideStar. Now our community members as well as 10+ million GuideStar users can find in-depth information about our goals, strategies, capabilities, and progress. We're shining a spotlight on the difference we help make in the world. Plus, we've provided fresh information to 200+ charitable websites and applications that use GuideStar data, such as AmazonSmile, Facebook, and Network for Good.

The Professional Endowment Committee (PEC) introduces the Rehabilitation Center for Children and Adults' mission and needs to our financial neighbors. Members represent key financial institutions in the Palm Beach area. Current and future planned gifts help uninsured or underinsured local families receive much-needed individualized and customized therapy services. At the quarterly committee meetings, members review the latest relevant estate tax information. Annually, the committee sponsors the Estate Planners Reception for accountants, attorneys, bankers, insurance agents and trust officers, as well as other professionals and members of RCCA Board of Governors. Attendees learn about different ways to assist RCCA through planned gifts, such as wills and charitable trust agreements.

The PEC also helps increase our neighbors' awareness of our needs and services. These professionals represent expertise our donors can call upon, as they know both the importance of endowments to our mission and the value of estate planning for the donor's family. We believe the work of this committee will help insure the financial security of the Center now and in the future. If you know of someone who might be interested in more information, please call the RCCA at 655-7266 or contact one of the committee members pictured here. The RCCA is grateful these women and men choose to donate their professional and personal time helping children and adults with physical disabilities.
