In Loving Memory

Mary Olmstead

Mary Olmstead worked as a Speech-Language Pathologist at RCCA from 1984 to 2002 and more recently since 2018. Her kind and patient demeanor created a calming effect in our Preschool. She will surely be missed.
Congratulations to Occupational Therapist Camy Dreifuss for 25 years at RCCA.

Your tax-deductible donation can make therapy available to a local family regardless of their ability to pay.

Be remembered forever by RCCA with a gift in your will, trust, retirement plan or life insurance policy.
Through the Generations: In RCCA’s conference room, Thomas Reynolds stands with a portrait of his grandmother, Mrs. Wiley R. Reynolds, Sr. who is credited as one of the important founders of RCCA and was president of RCCA’s Board of Governors from 1944-1957. The current property at 300 Royal Palm Way was donated by the Reynolds family. Thomas’ brother, Mr. Wiley R. Reynolds III was also president of RCCA Board of Governors 1994-1997.

The Professional Endowment Committee (PEC) introduces the Rehabilitation Center for Children and Adults’ mission and needs to our financial neighbors. Members represent key financial institutions in the Palm Beach area. Current and future planned gifts help uninsured or underinsured local families receive much-needed individualized and customized therapy services. At the quarterly committee meetings, members review the latest relevant estate tax information. Annually, the committee sponsors the Estate Planners Reception for accountants, attorneys, bankers, insurance agents and trust officers, as well as other professionals and members of RCCA Board of Governors. Attendees learn about different ways to assist RCCA through planned gifts, such as wills and charitable trust agreements.

The PEC also helps increase our neighbors’ awareness of our needs and services. These professionals represent expertise our donors can call upon, as they know both the importance of endowments to our mission and the value of estate planning for the donor’s family. We believe the work of this committee will help insure the financial security of the Center now and in the future. If you know of someone who might be interested in more information, please call the RCCA at 655-7266 or contact one of the committee members pictured here. The RCCA is grateful these women and men choose to donate their professional and personal time helping children and adults with physical disabilities.
