The Professional Endowment Committee (PEC) introduces the Rehabilitation Center for Children and Adults’ mission and needs to our financial neighbors. Members represent key financial institutions in the Palm Beach area. Current and future planned gifts help uninsured or underinsured local families receive much-needed individualized and customized therapy services. At the quarterly committee meetings, members review the latest relevant estate tax information.

The PEC also helps increase our neighbors’ awareness of our needs and services. These professionals represent expertise our donors can call upon, as they know both the importance of endowments to our mission and the value of estate planning for the donor’s family. We believe the work of this committee will help insource the financial security of the Center now and in the future. If you know of someone who might be interested in more information, please call the RCCA at 655-7266 or contact one of the committee members pictured here. The RCCA is grateful these women and men choose to donate their professional and personal time helping children and adults with physical disabilities.

**HOW TO DONATE**

Your tax-deductible donation can make therapy available to a local family regardless of their ability to pay.
