INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Rehabilitation Center for Children and Adults, Inc.
Palm Beach, FL

Opinion

We have audited the accompanying financial statements of Rehabilitation Center for Children and Adults, Inc (a nonprofit organization) which comprise the statements of financial position as of August 31, 2022 and 2021 and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rehabilitation Center for Children and Adults, Inc as of August 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rehabilitation Center for Children and Adults, Inc and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rehabilitation Center for Children and Adults, Inc's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rehabilitation Center for Children and Adults, Inc internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rehabilitation Center for Children and Adults, Inc ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Nature of activities

The Rehabilitation Center for Children and Adults, Inc. (the Center), located in the Town of Palm Beach, Florida, is a comprehensive outpatient rehabilitation facility that provides physical, occupational, and speech therapy and pre-school education. The Center renders services to the general public, substantially all of whom are residents of Palm Beach County, Florida. It is the Center's policy to provide services to those in need regardless of the patient's ability to pay. Services are also rendered to patients under agreements with third-party payers, including Medicare. Such agreements provide for payments to the Center at amounts substantially less than its established rates. The Center is significantly dependent upon gifts and contributions to assist in subsidizing predetermined service rate adjustments and major charitable care allowances.

Basis of accounting

The Center's financial statements presented herein have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of presentation

The Center prepares its financial statement in accordance with the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). The Center is required to report information regarding its financial position and activities according to each class of net assets in accordance with donor restrictions, if any. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for the support of the Center's operations. The unrestricted net assets may be used at the discretion of the Center's management and the Board of Governors.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that limit the use of the donated assets. When a donor restriction expires, that is when the stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. This classification also includes net assets subject to donor-imposed stipulations to be maintained permanently by the Center. Generally, earnings from endowed contributions and investments are unrestricted or may also be restricted for specific purposes.

The amounts for each class of net assets are required to be displayed in a statement of financial position and the amount of the change in each class of net assets are required to be displayed in a statement of activities.

Reclassification

Certain prior year amounts have been reclassified to conform to current year's presentation. The reclassifications had no effect on previously reported net assets or changes in net assets.

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

Bank deposit accounts are maintained at high credit-facility financial institutions. The Center considers all demand deposit accounts and liquid investments available for current use with an initial maturity three months or less to be cash equivalents, except for such similar investments that are held and remain classified within the investment portfolio.

Accounts receivable

Accounts receivable arising from patient services is reported at the estimated net realizable amounts due from patients, Medicare, and other third-party payers (private insurance). Charitable allowances and other amounts not collectable, such as insurance caps and limitations placed on Medicare and private insurance reimbursements, are provided for when services are rendered. Patients' accounts receivable is also evaluated periodically and additional allowances are provided based on management's analysis of each account's delinquency status, a reassessment of the patient's ability to pay, and the probability of collection. Patient receivables, net of the allowance for uncollectible accounts, represents the amount expected to be collected in cash within the short term (not to exceed one year); therefore, the carrying amount of accounts receivable approximates the fair value. As of August 31, 2022, and 2021, accounts receivable were \$304,834 and \$260,588, respectively net of allowance for doubtful accounts of \$100,000 and \$100,000, respectively.

Investments

The Center carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the Statements of Financial Position. Realized gains and losses from security transactions are reported on the specific identification method based on the difference between the sales price of the security and its cost basis. Unrealized gains and losses are included in the in the accompanying Statements of Activities as increases or decreases in net assets without donor restrictions. Dividend income is accrued on the ex-dividend date and interest is recorded in the period earned.

The Center manages its investment risk through the ongoing monitoring efforts of a committee of Board members and the employment of an independent professional investment advisor.

Property and equipment

Property and all equipment acquisitions of \$1,500 or more are capitalized while lesser amounts are expensed. Property items received as gifts are recorded at their estimated market value as of the date of the gift. Depreciation of property and equipment is calculated on the straight-line method over the estimated useful lives, as follows:

Buildings and improvements	19-40 years
Aquatic treatment center equipment	5-10 years
Other treatment equipment	5-10 years
Furniture, fixtures, and equipment	5-10 years
Computer equipment	3-5 years

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Patient service revenue recognition

Patient service revenue is recognized as revenue in the period in which the related patient services are provided. Patient fees are recorded at the Center's standard rates and adjusted for estimated allowances and uncollectible amounts.

Revenue from Medicare accounted for approximately 41% of the net patient service revenue in 2022. Laws and regulations governing the Medicare program are complex and subject to interpretation. The Center believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. While no such regulatory inquiries have been made, compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action including fines, penalties, and exclusion from the Medicare program.

Contributions

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Conditional promises to give are recognized when the conditions are substantially met. Support received under a local government grant is recorded over the contract's term, generally one year. Gifts of cash and other assets are recorded as restricted support if they are received with donor stipulations that limit the use of the donated assets or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified and reported in the statements of activity as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting periods are reported as support without donor restrictions.

Contributions of securities, goods, and other in-kind assets are recorded at fair value and as support without donor restrictions unless the donor stipulates how the donated asset must be used. Contributions of long-lived assets with restrictions are reported as support with donor restrictions until the asset is placed in service. Gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions until the asset is acquired and placed in service.

Contributed services

A number of volunteers donate a substantial number of hours to the Center's fund-raising campaigns; however, these donated services are not reflected in the financial statements since the services do not require specialized skills. Members of the Center's Board of Governors also contribute a substantial amount of time to the Center's policy-making, management and administrative activities. The Center's Board members are not compensated for their services and no amounts have been provided to reflect the fair value of such.

Financial Instruments

The carrying value of cash and cash equivalents, accounts receivable, deferred revenue, accounts payable and accrued expenses are stated at carrying cost as of August 31, 2022, which approximates fair value due to the relatively short maturity of these instruments.

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentrations of credit risk

Financial instruments that potentially subject the Center to concentrations of credit risk consist principally of cash deposits at financial institutions and investments. At times, balances in the Center's cash and investment accounts exceed Federal Deposit Insurance Corporation (FDIC) or Securities Investors Protection Corporation (SIPC) limits.

Functional Expenses

In the accompanying statements of activities, expenses have been reported by their functional classification, a method of grouping expenses according to the purpose for which they were incurred. The primary functional classifications are program services and supporting activities. Program services are the activities that result in services being provided to patients that fulfill the purposes or mission for which the Center exists. Supporting activities are all activities of Centers other than program services and are included in the financial statements as management and general expenses and fundraising expenses.

The Center allocates its expenses on a functional basis among its programs and supporting services. Expenses that can be identified with a specific program and supporting service are allocated directly according to their natural expenditure classification in the statement of activities. Other expenses that are common to several functions are allocated by various statistical bases.

Income Taxes

The Center qualifies as a tax-exempt Organization, other than a private Foundation, under Section 501(c) (3) of the Internal Revenue Code and therefore, has no provision for federal income taxes. The Center qualifies as a public charity under the Internal Revenue Code.

The Center files required income tax returns in the U.S. federal jurisdiction. With few exceptions, the Center is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2018. The Center has concluded no material uncertain tax positions have been taken on any open tax returns. For the current year the Center believes all tax positions are fully supportable by existing Federal law and related interpretations and there are no uncertain tax positions to consider.

Special Events, Net

The Center conducts special events for the purpose of raising money for operations and for the child care building. The Center had revenues of \$374,196 and \$345,251 less related expenses of \$75,977 and \$27,839 for the years ended August 31, 2022 and 2021, respectively.

Advertising

The Center uses advertising to promote its programs. Advertising costs are expensed as incurred. Advertising was \$7,969 and \$5,025 for years ending August 31, 2022 and 2021, respectively.

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with FASB ASC requires management to make estimates and assumptions that affect: the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Changes in Accounting Principles

The Financial Accounting Standards Board (FASB) issued the following Accounting Standards Updates (ASU) that were effective for the Center in 2022:

- ASU 2014-09, *Revenue from Contracts with Customers*, and five subsequent amendments to ASU 2014-09 (collectively "ASU 2014-09"), clarifies the principles for recognizing revenue and creates common revenue recognition guidance for U.S. generally accepted accounting principles (GAAP). The revenue recognition principles of ASU 2014-09 apply only to exchange transactions and not to contributions and other nonreciprocal transfers to the Center. The ASU was applied using the modified retrospective method.
- ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*, which clarifies the guidance for evaluating whether transactions are accounted for as contributions or exchange transactions and determining whether a contribution is conditional.

The cumulative impact from adopting these ASUs did not result in any changes to the previously reported amounts as of and for the year ended August 31, 2022.

Recent Accounting Pronouncements

The FASB has issued the following accounting standards updates that may affect the Center in future years. Management has not completed its analysis of effects, if any, of the following updates:

ASU 2016-02, *Leases*, will be effective for the Center for the year ending August 31, 2023 and must be adopted using a modified retrospective method. ASU 2016-02 generally requires lessees to recognize assets and liabilities arising from leases on the statement of financial position.

NOTE B - INVESTMENTS

A single investment pool is maintained for investments held for general operational uses and for endowed funds. Investments include funds restricted in perpetuity by donors for patient care and amounts designated by the Board of Governors for contingencies and the possible lack of future earnings. The portion restricted, \$842,424 at August 31, 2022 and 2021, is stated at the original face amount of the endowment gift and has not been adjusted for earnings or for the appreciation or depreciation in value on the invested funds.

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE B – INVESTMENTS (CONTINUED)

The following table summarizes the investment portfolio, at fair value, as of August 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Money market fund	\$ 1,760,918	\$ 1,814,181
Equity securities, options and other	6,133,031	7,336,470
Corporate, municipal and US treasury bonds	<u>10,619,938</u>	<u>10,361,609</u>
	<u>\$ 18,513,887</u>	<u>\$ 19,512,260</u>

As part of its routine investment strategy, the Center holds and writes call options in its equity portfolio for the purpose of hedging the risks of certain identifiable and anticipated transactions. Outstanding options were reported as marketable equity securities at a fair value of \$(1,634) and \$(16,056) as of August 31, 2022 and 2021, respectively. The changes in value of the options, as well as the change in value of the hedged items attributable to the risk being hedged are included in unrealized gains and losses. During 2022 and 2021, the Center realized net gains (losses) of \$(146,860) and \$268,198, respectively, from option transactions.

The net investment gain (loss) for the years ended August 31, 2022 and 2021 is summarized as follows:

	<u>2022</u>	<u>2021</u>
Realized gain (loss), net	\$ 848,770	\$ 1,145,084
Unrealized gain (loss), net	<u>(1,613,748)</u>	<u>556,150</u>
Net investment gain (loss)	<u>\$ (764,978)</u>	<u>\$ 1,701,234</u>

Investment fees of \$71,982 and \$59,938 for the years ended August 31, 2022 and 2021, respectively, are included with interest and dividends, net on the statements of activities.

NOTE C – FAIR VALUE MEASUREMENTS

The Center uses a three-tier hierarchy established by the FASB ASC to prioritize the assumptions, referred to as inputs, used in valuation techniques to measure fair value. The three-tier hierarchy of inputs is summarized in the three broad levels listed below.

- Level 1: quoted prices in active markets for identical investments.
- Level 2: other significant observable inputs (including quoted prices for similar investments in active markets, interest rates and yield curves, prepayment speeds, credit risks, etc.)
- Level 3: significant unobservable inputs (including the Center’s own assumptions in determining the fair value of investments).

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

The Center’s financial instruments measured at fair market value include investments that are measured according to Level 1. Those financial instruments that are not disclosed under this hierarchy of fair value include cash equivalents, receivables, payables and accruals, all of which approximate fair value due to their short-term nature.

NOTE D – PROPERTY AND EQUIPMENT

The following is a summary of property and equipment and related accumulated depreciation as of August 31, 2022 and 2021:

	2022	2021
Land	\$ 78,726	\$ 78,726
Buildings and improvements	1,996,016	2,135,344
Aquatic treatment center equipment	550,101	568,839
Other treatment equipment	292,560	293,602
Furniture, fixtures and equipment	39,396	39,396
Computer equipment	38,813	36,704
	2,995,612	3,152,611
Less accumulated depreciation	(2,614,128)	(2,750,092)
Property and equipment, net	\$ 381,484	\$ 402,519

NOTE E – PATIENT SERVICE REVENUE

Patient service revenue is summarized as follows for the years ended August 31, 2022 and 2021:

	2022	2021
Revenue at standard rates	\$ 493,722	\$ 454,934
Allowances and uncollectible accounts	(140,482)	(136,704)
Net patient service revenue	\$ 353,240	\$ 318,230

The Center provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Center does not pursue collection of amounts determined to qualify as charity care, the normal fee is adjusted to allowances and uncollectible accounts. Allowances granted to patients amounted to 28.45% and 30.05% of total standard fees for 2022 and 2021, respectively.

NOTE F – LONG-TERM DEBT

On April 30, 2020, the Center received a loan from Iberia Bank in the amount of \$314,789 under the Paycheck Protection Program established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The PPP loan was fully forgiven on June 29, 2021 under the terms of the program and is included on the Statement of Activities as a conditional contribution for the year ended August 31, 2021.

NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE G – ENDOWMENT AND NET ASSETS WITH DONOR RESTRICTIONS

The Center's endowment is established for the purposes expressed in the mission of the Center and consists of the donor-restricted endowment fund and funds designated by the Board to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. As of August 31, 2022, and 2021, the Center's endowment consists of net assets that are both Board Designated and donor restricted.

Funds with deficiencies

From time to time, the fair value of assets associated with an individual donor-restricted endowment fund may fall below the level that the donor requires the Center to retain as a fund of perpetual duration. Any losses are recorded as reductions in net assets without donor restrictions and restored with subsequent gains. As of August 31, 2022, and 2021, there are no funds with deficiencies.

Interpretation of relevant law

Effective July 1, 2012, the Center adopted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA). FUPMIFA requires the Board of Governors to use reasonable care, skill and caution as exercised by a prudent investor, in considering the investment management and expenditures of endowment funds. In accordance with FUPMIFA, the Board of Governors may expend so much of an endowment fund as the Board of Governors determines to be prudent for the uses and purposes for which the endowment fund is established, consistent with the goal of conserving the purchasing power of the endowment fund.

Objectives and strategies employed

To satisfy its long-term rate-of-return objectives, the Center seeks to provide a moderate level of income flow with a capital appreciation objective. The emphasis is on capital appreciation.

Return objectives and risk parameters

The Center has adopted spending and investment policies for the endowment assets that attempt to provide a predictable stream of funding to the Center's operations while seeking to maintain the purchasing power of the endowment assets. Endowment assets consist of funds that are to be held in perpetuity.

Spending policy

To accommodate its long-term investment and operating objectives, the Center intends to annually appropriate between 3% to 6% of the 3-year trailing average of the endowment as measured on August 31st of each year. The exact percentage to be determined annually in light of circumstances existing at that time.

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE G – ENDOWMENT AND NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

The Center considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund.
2. The purposes of the Center and the donor-restricted endowment fund.
3. General economic conditions, and the possible effect of inflation and deflation.
4. The expected total return from income and the appreciation (depreciation) of investments.
5. Other resources of the Center.
6. The investment policies of the Center.

Endowment net assets by type of fund as of August 31, 2022, consist of the following:

	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds	\$ -	\$ 842,424	\$ 842,424
Board designated endowment funds	17,671,463	-	17,671,463
Total endowment net assets	<u>\$ 17,671,463</u>	<u>\$ 842,424</u>	<u>\$ 18,513,887</u>

Changes in endowment net assets, and reconciliation to investment balances for the year ended August 31, 2022, consist of the following:

Endowment net assets, beginning of year	<u>\$ 18,669,836</u>	<u>\$ 842,424</u>	<u>\$ 19,512,260</u>
Investment return:			
Investment income	455,174	-	455,174
Investment expenses	(71,982)	-	(71,982)
Net appreciation (depreciation)	<u>(764,978)</u>	<u>-</u>	<u>(764,978)</u>
Total investment return	(381,786)	-	(381,786)
Contributions and bequests	-	-	-
Spend rate appropriations	(600,000)	-	(600,000)
Other appropriations & transfers	<u>(16,587)</u>	<u>-</u>	<u>(16,587)</u>
Endowment net assets, end of year	<u>\$ 17,671,463</u>	<u>\$ 842,424</u>	<u>\$ 18,513,887</u>

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE H - RETIREMENT PLANS

The Center offers an IRC *Section 403(b)* tax-deferred retirement program in which participants may contribute up to the maximum allowable by the Internal Revenue Code ("IRC"). All amounts contributed by the participants vest immediately and, at retirement, may be withdrawn in a variety of ways including, but not limited to, monthly, in a lump sum, or over a set period of time. The Center does not contribute to this 403(b) Plan.

Effective January 1, 2017, the Center initiated another IRC *Section 403(b)* profit-sharing plan. The plan covers all employees who have attained the age of 21 and completed 6 months of service. Employer contributions are discretionary and determined by the board. Employer contributions are 100% vested upon entering the plan. To be eligible for the employer matching, employees must complete 1,000 hours in the plan year, and there are no service requirements for the employer profit sharing portion of the plan. The Center's contribution to the plan was \$154,766 and \$141,917 for the years ended August 31, 2022 and 2021, respectively.

NOTE I - LEGAL MATTERS

From time to time, the Center is subject to legal proceedings which arise in the ordinary course of its operations. Management believes that the final resolution of these matters will not have a material adverse effect on the Center's financial position, cash flows, or results of operations.

During the year ended August 31, 2022, the Center continued a legal matter that seeks reimbursement of incurred damages related to a prior period loss in its Target Benefit Plan. That Plan was fully funded and successfully terminated in 2019. The Center hopes to recover funding from a responsible party, although the outcome of this action is uncertain. (See Note K)

NOTE J - LIQUIDITY

The following reflects the Center's financial assets as of the statement of financial position date, reduced by amounts not available for general expenditures within one year of the statement of financial position date ending August 31.

	<u>2022</u>	<u>2021</u>
Financial Assets		
Cash and cash equivalents	\$ 88,168	\$ 428,193
Accounts receivable	304,834	260,588
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 393,002</u>	<u>\$ 688,781</u>

REHABILITATION CENTER FOR CHILDREN AND ADULTS, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE J – LIQUIDITY (CONTINUED)

The Center is primarily supported by contributions, bequests, patient service revenue and annual endowment draws. As part of the Center’s liquidity management, it structures financial assets to be available as its general expenditures, liabilities, and other obligations come due. The endowment is subject to an annual spending rate as described in Note G above. Although the Center does not intend to spend from this endowment (other than amounts appropriated for general expenditures as part of the Board’s annual budget approval and appropriation), these amounts could be made available in the event deemed necessary.

NOTE K – SUBSEQUENT EVENTS

In the normal course of preparing the Center’s financial statements, management reviews events that occur after the statement of financial position date, August 31, 2022, for potential recognition or disclosure in the financial statements. Management has evaluated subsequent events through January 23, 2022, which is the date the financial statements were available to be issued.

Subsequent to August 31, 2022 but before issuance of the financial statement audit, the Center received final resolution and settlement in the amount of \$660,000 in regards to the Target Benefit Plan referred to in Note I.
